

Chicago Clean Power Coalition

Take the next step. Call Your Alderman!

Please call your Alderman today and ask him or her to co-sponsor the **Chicago Clean Power Ordinance**. Never called your alderman before? It's easy!

1. **Find Your Alderman:** <http://www.chicityclerk.com/citycouncil/alderman/find.html>.
2. **Call:** Talk to the staffer or leave a message.
3. **Say:** Hi my name is _____ and I am a proud resident of the _____ ward.

I am calling to ask Alderman _____ to **co sponsor** the **Chicago Clean Power Ordinance** that will clean up Fisk and Crawford, the two largest stationary sources of air pollution in Chicago. These old, dirty coal plants stand in Chicago's way of becoming the greenest, healthiest city in America. The **Chicago Clean Power Ordinance** will cut soot pollution that causes asthma, heart attacks, lung cancer, strokes and other respiratory diseases AND reduce global warming pollution by significantly cutting Chicago's carbon footprint.

I hope that Alderman _____ will be a leader and agree to co sponsor this ordinance, keeping Chicago in the running for the 'Greenest City in America'.

4. **Tell us How It Went!** Visit www.cleanpowerchicago and use the contact form to let us know who you called and whether your alderman will cosponsor or support the Ordinance.
